

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE: LITHIUM ION BATTERIES
ANTITRUST LITIGATION

Case No. 4:13-md-02420-YGR (DMR)

Case No. 15-cv-03443-YGR

This Document Relates To:

*Microsoft Mobile, Inc. et al. v. LG Chem
America Inc. et al.*

**ORDER DENYING MICROSOFT MOBILE INC.
AND MICROSOFT MOBILE OY'S MOTION
FOR RELIEF FROM NON-DISPOSITIVE
PRETRIAL ORDER OF MAGISTRATE JUDGE
REGARDING DE-DESIGNATION OF
DOCUMENTS; GRANTING MOTION TO SEAL**

Dkt. Nos. 1490, 1491

On September 29, 2016, Plaintiffs Microsoft Mobile Inc. and Microsoft Mobile Oy (collectively "Microsoft"), filed a Motion for Relief from Non-Dispositive Pretrial Order (Dkt. No. 1491), seeking relief from Magistrate Judge Ryu's order denying Microsoft's Motion Regarding De-Designation of Documents (Dkt No. 1457).

The Court has considered the papers submitted in support of the motion and in opposition. The Court finds that Microsoft has not satisfied its burden under Rule 72(a) of Federal Rules of Civil Procedure to show that Magistrate Judge Ryu's findings are "clearly erroneous or [] contrary to law." Consequently, Microsoft's Motion for Relief from Non-Dispositive Order is **DENIED**.

The motion to seal (Dkt. No. 1490) filed in connection with the Motion for Relief from Non-Dispositive Order is **GRANTED**. The documents are appropriate for sealing under the liberal standard applicable to non-dispositive motions.

IT IS SO ORDERED. This order terminates Dkt. Nos. 1490 and 1491.

Dated: November 3, 2016

YVONNE GONZALEZ ROGERS
UNITED STATES DISTRICT JUDGE
